## INSIDE OUR ISSUES

### WESTERN HISTORY

- **Classic Gunfights:** Our most popular feature, *Classic Gunfights* is fast-paced and rich in detail, with maps by Gus Walker and artwork by Bob Boze Bell.
- Arizona's official historian **Marshall Trimble** answers readers' questions about the Old West. As our second most-read feature, **Ask the Marshall** informs and entertains.
- **Shooting From the Hip:** Noted gun historian and Hollywood firearms expert **Phil Spangenberg** writes about guns of the historical West.
- In **Frontier Doc**, **Dr. Jim Kornberg** solves medical mysteries, from Wild Bill Hickok's "disease of passion" to whether or not Val Kilmer portrayed lunger Doc Holliday accurately in *Tombstone*.
- The great wits of our time, from *Jonah Hex's* Jimmy Palmiotti to Western musician Brenn Hill, share **What History Has Taught Me**.

### LIFESTYLE & TRAVEL

- Ranch-raised **G. Daniel DeWeese's** analysis of historic and emerging Western Wear brands helps readers find their True Western flair.
- **Westward Home:** Showcases historic home rebuilds, contemporary ranches and other abodes where people live out their Western dreams.
- Wyatt Earp and Wild Bill Hickok ate oysters and Salmon Baked a la Richelieu, and other classic recipes shared by food historian **Sherry Monahan** in **Frontier Fare**.
- **Renegade Roads** taps into Western travel with writers such as Johnny D. Boggs and Candy Moulton, who can point out the

historical sites and talk serious barbecue at the same time.

- **Trail Rider:** From PBS's *Equitrekking*, **Darley Newman** teaches the history behind the trails you're riding on and introduces new trails you never knew existed
- **What's It Like to Live There?** provides an insider's perspective on each of the towns that win our annual "True Western Towns" award.
- **Johnny D. Boggs** talks up the West, from Apache skateboard art to revisiting *Lonesome Dove*. In **Boggs Unleashed**, you never know what Boggs will introduce to us next.
- **Western Books** reviews Western fiction, nonfiction and children's books.
- **Westerns:** **Henry Cabot Beck** reviews recent Western movies and TV shows, including those in the works, and the classics of yesteryear.
- **Collecting the West:** Reports on auctions of American West treasures.

### PRESERVATION

- **Jana Bommersbach** celebrates **Old West Saviors** who rescue our cultural and physical resources, and maintain important ties to our past.
- **Mark Boardman** shares the hits, misses and ongoing preservation projects in our **Preservation** column.

### ANNUAL SOURCE BOOK!

- Complementing *True West's* inspirational stories of the past and present, our **Best of the West Source Book** announces the winners of our "Best of the West" award and provides a detailed directory of businesses and services throughout the West.
